*To discuss your creative needs and online requirements
call Tim Pope on 029 2024 4278
or email tim.pope@mediawales.co.uk*

OPTION 2 – Flash Based Pre-Roll Advert

Option 2 is a Flash-based Pre-Roll advert; the running time will be up to 15 seconds. The advert can include digital stills / images, company branding, animated text, professional voice over and licensed music track.

*To discuss your creative needs and online requirements
call Tim Pope on 029 2024 4278
or email tim.pope@mediawales.co.uk*

Option 2 Benefits:

Option 2 has all the benefits of Option 1 plus:

- Up to 2.5 days editing.
- Inclusion of professional voice over.
- Inclusion of licensed music track.

**From
£1,395**

Option 3 Benefits:

Option 3 has all the benefits of Option 2 plus:

- Up to three days editing.
- Inclusion of Commercial Videographer for up to two hours on-location filming, including lighting and sound.

**From
£1,995**

OPTION 3 – Flash Based Pre-Roll Advert

Option 3 is a Flash-based Pre-Roll advert; the running time will be up to 15 seconds. The advert can include filmed video content, digital stills / images, company branding, animated text, professional voice over and licensed music track.

*To discuss your creative needs and online requirements
call Tim Pope on 029 2024 4278
or email tim.pope@mediawales.co.uk*

Option 5 Benefits:

Option 5 has all the benefits of Option 4 plus:

- All editing (live edit in days production).
- Up to half a day's on-location filming with Media Wales Commercial Videographer.
- Up to three hours studio time at our state of the art green screen production studio.
- Inclusion of on-location cutaways.

**From
£5,495**

OPTION 5 – Studio Based Infomercial (Incl. On-location film content)

Option 5 includes all the same benefits as in Option 4 but with some exciting additions, including up to half a day's on-location filming with Media Wales' Commercial Videographer.

The Commercial Videographer will provide lighting and sound for the on-location shoot. The studio-based Infomercial can then be edited to include the on-location footage as part of the full Infomercial. A professional voice over artist and royalty free licensed music is included, as well as a choice of virtual sets.

An edited version of the infomercial with a running time of up to three minutes will be produced and uploaded to the Media Wales Servers for inclusion on the Wales Online Digital TV Portal WalesOnline.co.uk.

The full infomercial (up to seven minutes) will be provided on disc for the client in a Flash or Windows Media Format. The client can then upload it to their own website if they desire.
(Suitable server required)

*To discuss your creative needs and online requirements
call Tim Pope on 029 2024 4278
or email tim.pope@mediawales.co.uk*

OPTION 6 – Hire of Media Wales Green Screen Studio

Option 6 includes the use of Media Wales state of the art green screen studio at its Cardiff city centre offices. As part of the Option 6 package, Media Wales provides the use of our Commercial Videographer. He will be available to take our clients through the exciting range of virtual sets available for the client's chosen production. The facilities can be booked per day (seven working hours).

From
£1,495

Option 6 Benefits:

The Commercial Videographer will provide the following support services:

- Up to seven hours studio time at Media Wales state-of-the-art green screen production studio.
- Choice of virtual environments available for the production.
- Framing for virtual backdrops for each camera angle set up.
- Inclusion of digital stills, company branding, royalty-free licensed music track and on-location cutaways.
- Copy of production available on disc for client to take away.
- All editing inclusive.
- Framing for multi-camera set up.
- Three camera set up.
